

2016 Northern Tier Buy Fresh, Buy Local Supporter Registration

There is comfort in knowing where your food comes from. Now is the time to take an active role in protecting the future of our food by supporting local farms, farmers, and producers!

Through Local Food Guides, support for Farmers Markets, educational activities and Taste of the Endless Mountains events, the Northern Tier Buy Fresh, Buy Local Program continues to strengthen our local food system, but we need your support.

We are asking you to join or renew your membership in the Northern Tier Buy Fresh, Buy Local Chapter. Please fill out the supporter registration form below to become an advocate for local foods. By joining, you are part of the network of people who care about where food comes from and how it's produced.
